General Exhibition Terms and Conditions of Reed Exhibitions Deutschland GmbH

E

Reed Exhibitions Deutschland GmbH | Völklinger Str. 4 | 40219 Düsseldorf | Tel. +49 211 90191-147/-311 | Fax +49 211 90191-149
Amtsgericht Düsseldorf HRB 28688 | Geschäftsführer: Hans-Joachim Erbel, Michael Freter, André Weijde | www.viscom-messe.com

1. General

- 1.1 The Organiser of the viscom düsseldorf 2017 (hereinafter also referred to as the „event“) is Reed Exhibitions Deutschland GmbH, Völklinger Str. 4, 40219 Düsseldorf, Germany, Phone +49 211 90191-147/-311 Fax: +49 211 90191-149.
- 1.2 The Organiser utilises the event venue on the basis of a hire contract with the local exhibition centre.
- 1.3 Up to three weeks before the start of the event, or immediately after conclusion of contract if the application is received later than this, each exhibitor shall receive online access to the service manual for exhibitors which can, on request, be viewed at the premises of the Organiser or transmitted. This contains the technical procedures and the structural specifications which all exhibitors are obliged to adhere to. Otherwise the following General and Special Exhibition Terms and Conditions of the Organiser shall apply.

2. Application

- 2.1 Exhibitors shall apply to participate in the event as an exhibitor using the Organiser's special application form for the event.
- 2.2 The application form should be completed in full by the Exhibitor and made legally binding by the addition of his signature. No conditions or reservations added to the application form by the Exhibitor shall be considered.
- 2.3 The Exhibitor shall be bound by his application for a period of twelve weeks from its being received by the Organiser.

3. Conditions for approval

- 3.1 In order to participate in the event as an Exhibitor, the goods or services being exhibited by the Exhibitor must be included in the goods and product groups listed in the nomenclature appended to the Organiser's application form. The Exhibitor undertakes to provide the required information on his company and the goods and services being exhibited.
- 3.2 The Organiser shall make the decision to approve the Exhibitor for the event based on due judgement, taking space capacity and the purpose and structure of the event into consideration. The Organiser is not obliged to justify any rejections of exhibition contracts. No reference to an Exhibitor's participation in previous events will be accepted in support of a claim.
- 3.3 The Organiser shall decide at his own discretion whether to grant approval to exhibitors whose application to take part in the event has been received by the Organiser following expiry of the closing date for applications specified in the Organiser's Special Exhibition Terms and Conditions.
- 3.4 The Organiser will not agree to any requests to exclude exhibitors' rivals from the event.

4. Conclusion of contract, prohibition of assignment

- 4.1 The Exhibitor shall be notified whether his application has been approved within the commitment period in accordance with 2.3 of these General Exhibition Terms and Conditions. If the Exhibitor is approved for the event, he shall be sent written confirmation by the Organiser. Receipt of this confirmation brings the exhibition contract between the Organiser and the Exhibitor into force.
- 4.2 If the Organiser grants the Exhibitor the right, outside these terms and conditions, especially in the form of a written notice by the Organiser on the application form, to withdraw from the exhibition contract, the Exhibitor shall be entitled to withdraw from the exhibition contract within 14 days of receiving the written confirmation of application from the Organiser, by sending written notification to the Organiser. However, even in this case the Exhibitor is excluded from withdrawing from the contract after this time outside the legal provisions and the following regulations. If, in such a case, the Organiser receives notification of withdrawal after expiry of the above deadline, paragraph 4.3 of this contract shall apply.

- 4.3 With the exception of the circumstances set out in paragraph 4.2 of these General Exhibition Terms and Conditions, the Exhibitor has no right to withdraw from or terminate the exhibition contract. If, regardless, the Exhibitor does not take part in the event, the Exhibitor shall pay the Organiser the full contractually agreed stand rent and any ancillary costs incurred by the Organiser up to this juncture. This does not affect the Organiser's right to press further claims against the Exhibitor on the basis of these General Exhibition Terms and Conditions and the relevant laws.

- 4.4 The Exhibitor is not entitled to assign his claims from the contract with the Organiser to third parties.

5. Withdrawal of Organiser

- 5.1 The Organiser is entitled to withdraw from the exhibition contract with the Exhibitor and to claim damages from the Exhibitor if, despite being issued a request by the Organiser, and the expiry of an appropriate deadline set by the Organiser, the Exhibitor
 - displays unregistered, unapproved goods or services or used goods; the latter may only be deployed for demonstration purposes
 - is in arrears with payments to the Organiser
 - sublets stand space, or permits a third party to use it, without the consent of the Organiser
 - does not correctly register a co-exhibitor as stipulated under section 9 of these General Exhibition Terms and Conditions
 - undertakes the stand build-up and break-down outside the times specified by the Organiser in the Special Exhibition Terms and Conditions for this event
 - does not adhere to the provisions contained in 12.1, 12.5 or 15.1 to 15.6 of these General Exhibition Terms and Conditions regarding the design and equipment of the stand
 - becomes insolvent following conclusion of the exhibition contract, or his solvency is at risk, or if the Organiser becomes aware that the Exhibitor's solvency is poor or at risk after concluding the exhibition contract, unless the Exhibitor effects payment to the Organiser within the additional deadline to be set by the Organiser, or offers security.
- 5.2 If the Organiser withdraws from the contract, the Organiser is entitled to claim damages from the Exhibitor to the full value of the contractually agreed stand rent and for payment of any ancillary costs already incurred. The Organiser retains the right to press further damage claims against the Exhibitor. The Exhibitor has the right to prove that no damage was incurred, or was lower than the total amount claimed.
- 5.3 Instead of withdrawing from the contract and claiming damages, the Organiser may opt: for removal of the goods in question in the case of goods being exhibited which are not registered, not approved or have already been used; for the third party in question to be removed from the stand in the case of the stand being sublet or entrusted to a third party without the consent of the Organiser; for obliging the Exhibitor to adapt the design or remove the stand in the case of the specifications regarding stand design and equipment not being adhered to. In the case of late payment, late stand build-up and the risk of insolvency, the Organiser may allot the Exhibitor a different stand and adjust the payable rental fee accordingly.

6. Force majeure

- 6.1 The Organiser is entitled to withdraw from the contract if the event is prevented from being held, or from being held as planned, either in full or in part, by unforeseen circumstances over which the Organiser has no control, especially as the result of terrorist attacks, natural disasters, epidemics, officially decreed clearance or closure, structural changes to the venue made by the landlord, water damage or similar cases of force majeure.
- 6.2 In the case of force majeure as defined in 6.1 of these General Exhibition Terms and Conditions, the Organiser is obliged to inform the Exhibitor immediately of the full or partial impossibility of holding the Event, and, in the case of it being entirely impossible to hold the Event, to refund any payments already made, or in the case of it only being possible to hold the event to a limited extent, to refund the corresponding proportion of the payments. The Exhibitor's right to press further damage claims against the Organiser is excluded in this case.

7. Stand rent and other fees, terms of payment

- 7.1 The stand rent and any other fees to be paid by the Exhibitor to the Organiser are contained in the Organiser's application form for the event, these General Exhibition Terms and Conditions and the Special Exhibition Terms and Conditions of the Organiser for the event.
- 7.2 The stand rent and the other fees are net and do not include sales tax to be paid by the Exhibitor at the rate applying at the time of the event.
- 7.3 The due dates of the stand rent and any other fees to be paid by the Exhibitor to the Organiser are contained in the Organiser's application form for the event and the Special Exhibition Terms and Conditions of the Organiser for the event.
- 7.4 The Exhibitor fails to meet the payment deadlines specified in the Special Exhibition Terms and Conditions; no reminder is issued. In this case, besides the payments already owing, the Exhibitor shall pay interest on the sum due at the rate of the current legal default interest rate of 5 percentage points above the base interest rate; or 8 percentage points above the base interest rate if the Exhibitor is not a consumer, but at least 8% p.a. on the sum due, to the Organiser. This does not affect the Organiser's right to press further delayed payment damage claims against the Exhibitor.

8. Services provided by Organiser

- 8.1 The stand rent covers the following services:
- Provision of stand space for duration of hire
 - Cleaning of hall gangways
 - Provision of security staff to ensure general security at the Event
 - Heating and ventilation of the exhibition halls
 - General illumination of exhibition halls
- 8.2 The Exhibitor should order all further chargeable services such as electricity, water and telephones, including appropriate connections, stand construction and other trade fair services via the Organiser's online service tool for the event. The Organiser's „General Terms and Conditions for Exhibitor Services provided at the Event“ also apply for these services.

9. Co-exhibitors, community stands, exclusion of subletting

- 9.1 A number of exhibitors can rent a stand jointly. Such groups of exhibitors should nominate a common representative in the application. This person is the joint representative of these exhibitors in dealings with the Organiser.
- 9.2 The Exhibitor concludes a direct exhibition contract with the Organiser; each further exhibitor using the stand space counts as a co-exhibitor. Under the above definition, exhibitors also count as co-exhibitors if there are close business or organisational ties to the Exhibitor. Company representatives will not be approved as co-exhibitors. Manufacturers of products and goods, and providers of services which are required to demonstrate the Exhibitor's exhibited goods and services, do not count as co-exhibitors.
- 9.3 Co-exhibitors and exhibitors are liable to the Organiser as co-debtors.
- 9.4 The Exhibitor must register co-exhibitors to the Organiser in writing, based on the Organiser's General and Special Exhibition Terms and Conditions. The co-exhibitor shall sign his application on the Organiser's application form. The Organiser shall decide at his own discretion whether to grant approval to a co-exhibitor.
- 9.5 The Exhibitor must pay a co-exhibitor fee to the Organiser for each co-exhibitor. The level of the co-exhibitor fee is specified in the Special Exhibition Terms and Conditions for the event.
- 9.6 The Exhibitor may not sublet stand space, either in part or in full, to a third party without the Organiser's consent. Nor may he swap stand space or make it available in any other form, or accept orders regarding the stand space on behalf of third parties.

10. Exhibition goods

- 10.1 The Exhibitor may only exhibit or offer goods and services which belong to the groups of goods and products listed in the nomenclature appended to the Organiser's application form for the event and entered in the Exhibitor's application to participate in the event. In addition, the Exhibitor may only display brand-new goods, with the exception of used goods deployed for demonstration purposes. Goods and services that go against the law or are an offence against good taste are not permitted.

10.2 The Exhibitor may not advertise goods, services or companies at the event which are not listed in the approval.

10.3 The Organiser is entitled to confiscate exhibited or offered goods and services which do not conform to paragraphs 10.1 or 10.2 of these General Exhibition Terms and Conditions for the duration of the event and at the Exhibitor's expense. This does not affect the Organiser's right to press further claims against the Exhibitor.

11. Allocation of stand space, relocation of stand space, entrances, exits and gangways

- 11.1 Stand space shall be allocated by the Organiser. The decision is based on the nature and the occupancy of the Event, on design elements, on the structural design, and otherwise at the Organiser's discretion. Where possible, special requests made by the Exhibitor may be taken into consideration. This does not, however, signify that the Exhibitor has any claims against the Organiser as a result. The date on which the application is received is not decisive. The Organiser shall inform the Exhibitor of the stand space allocation, citing the hall and stand number.
- 11.2 Structural pillars and supports are factored into the stand space. The Exhibitor is not entitled to claim a reduction as a result. The stand rent is based on the rented area: no stand partition walls or other installations or structures are included in the rent.
- 11.3 The Organiser reserves the right to make minor deductions from the allocated stand space for technical reasons. The width and depth of such deductions should not exceed 20 cm and they do not entitle the Exhibitor to a reduction in the stand rent. Excluded from this are stands which are explicitly registered as complete stands or shell schemes.
- 11.4 The Organiser is entitled to allocate the Exhibitor a different stand space or to relocate the stand space, or to change the dimensions of the stand space which deviates from the contractually agreed type and size of stand in cases where this is necessary for planning reasons, especially the design of the overall event, the available capacity or the given structural circumstances. Entitlement to withdraw from the contract or claims to damages or other claims from the Exhibitor are excluded in this case unless the stand space offered is more than 15 % greater or less than the agreed stand space. In this case the Exhibitor may withdraw from the contract by issuing written notification to the Organiser. Otherwise the stand rent shall be adjusted accordingly.
- 11.5 The Organiser reserves the right to determine and relocate the entrances and exits of the venue and to define and relocate the gangways and paths through the venue without the Exhibitor being able to claim damages as a consequence.

12. Stand construction, stand design

- 12.1 In order to ensure a uniform overall look, the Organiser issues guidelines for the construction and design of stands in the Service Manual for Exhibitors in accordance with paragraph 1.3 of these General Exhibition Terms and Conditions. These guidelines contain binding requirements for the Exhibitor. Before planning a stand construction, the Exhibitor undertakes to obtain information in good time from the Organiser on the structural circumstances of the stand spaces he has booked, e.g. pillars, fire protection facilities, utility supply channels etc.
- 12.2 If the Exhibitor has not constructed and occupied the stand on the space allocated by the Organiser one day before the start of the event, the Organiser is entitled to reallocate the stand space, make alternative use of it or remove any decorations from it. In this case the Exhibitor shall pay the costs incurred by the Organiser for decorating or filling the unoccupied stand space in addition to the stand rent and any ancillary costs already incurred.
- 12.3 Refreshment stands require written consent from the Organiser; the Exhibitor is billed separately for these.
- 12.4 The stand must be designed and constructed in such a way that no neighbouring stands are negatively affected in any way by exhibits, advertising surfaces, display objects etc.
- 12.5 The stand boundaries specified to the Exhibitor should not be exceeded. It is only permissible to exceed the prescribed structural height of 2.50 m with the express approval of the Organiser who can issue the permit at its own discretion and also subject to the express approval of the bordering exhibitors.
- 12.6 The stand should be manned by sufficient numbers of staff members and be accessible to visitors continuously during the opening hours of the event. The name and address of the Exhibitor must be clearly displayed for the duration of the event; the Exhibitor is responsible for creating such a sign.

12.7 The Exhibitor undertakes to lay a covering on the floor of the stand, to attach a worded trim on the sides facing the gangways and to provide rear and side walls with an appropriate appearance; the Exhibitor carries responsibility for providing these.

13. Stand break-down

13.1 No stand may be removed, either in full or in part, before the official end of the event. In the event of violation, the Exhibitor is obliged to pay a penalty to the Organiser to the value of half the gross stand rent agreed for the event.

13.2 The stand space should be returned to the Organiser in its original condition. Any materials which have been used, any foundations, excavations, any damage, double-sided adhesive tape and adhesive residues should be removed in full by the Exhibitor, without damaging the subsurface. Otherwise the Organiser is entitled to have this work carried out at the expense of the Exhibitor. This does not affect the Organiser's right to press further claims against the Exhibitor.

13.3 The Exhibitor is also liable for any damage to the floor, the walls and any loaned or rented materials. Stands or exhibition goods which have not been taken down or removed by the deadline set for completion of the break-down can be removed by the Organiser at the expense of the Exhibitor and put into storage by a carrier company at the expense of the Exhibitor, with no liability for loss or damage being carried by the Organiser. This does not affect the Organiser's right to press further claims against the Exhibitor.

14. Organiser's liability

14.1 The Organiser shall not accept any duty of care for exhibition goods, stand facilities or other objects brought to the event, and excludes any liability for damage or loss.

14.2 The Organiser is liable for wilful actions or gross negligence on his part. In the event of a breach of duty due to ordinary negligence on the part of the Organiser or his subcontractors, liability shall be limited to typical contract and foreseeable damages. In the event of breach of minor contractual obligations due to slight negligence, all liability is excluded towards exhibiting companies.

14.3 The above liability limitations do not apply to bodily injury, damage to health or loss of life in cases where the Organiser carries responsibility.

15. Multilevel stand structures

15.1 Multilevel stand structures require the written consent of the Organiser who can grant this, at his own discretion, subject to obtaining the written approval of the adjacent exhibitors, and in particular subject to the applicant's compliance with the provisions of items 15.2 to 15.7 of these General Trade Fair and Exhibition Terms and Conditions.

15.2 Multilevel structures are only permitted on stands with a floor space of at least 100 square metre.

15.3 No more than 50 % of the stand space may have a built-up structure.

15.4 All multilevel stands need to have two separate exits on each level.

15.5 Duplicate copies of design drafts for multilevel stands including floor plans, sections and views showing the precise measurements should be submitted to the Organiser for written authorisation at least 10 weeks before the start of the event.

15.6 The built-up structure of multilevel stands also requires approval from the municipal building inspection department. Duplicate copies of such a building application, including the necessary documentation such as site map, ground plan, sectional and view drawings, structural description and analysis should be submitted to the planning authorities responsible for the venue at least 10 weeks before the start of the event. Visitors may not be allowed to access multilevel stands at the event which are erected without planning permission.

15.7 The prices for multilevel stands are listed in the Special Exhibition Terms and Conditions issued by the Organiser for the Event.

16. Use of gangways

16.1 With the exception of the circumstances set out in paragraph 16.2 of these General Exhibition Terms and Conditions, erection of constructions on, or occupancy of, gangways with stand elements, goods or other objects is not permitted.

16.2 In cases in which the Organiser lets stand spaces which are separated from each other by gangways and, as an exception, provides written authorisation at his own discretion for the use of the gangway area, any provisions of the Organiser's Special Exhibition Terms and Conditions for the event shall apply in addition to any requirements set out in the Organiser's authorisation.

16.3 In cases in which the gangways have clearly been occupied by an Exhibitor in contravention of paragraphs 16.1 and 16.2 of these General Exhibition Terms and Conditions, the Organiser reserves the right to exclude said Exhibitor from the current and future events. In this case the Exhibitor must pay the full stand rent and any other event fees to the Organiser. This does not affect the Organiser's right to press further claims against the Exhibitor.

17. House regulations, occupier's rights, photography

17.1 The Organiser holds occupier's rights across the entire event area during the build-up period, the event itself and the break-down phase. In exercising his occupier's rights the Organiser is entitled to issue directions to the Exhibitor.

17.2 The Exhibitor shall recognise house regulations issued by the Organiser and notified to the Exhibitor and house regulations issued by the local exhibition centre as binding upon himself and his subcontractors and any other persons employed by the Exhibitor at the event.

17.3 The Exhibitor and his subcontractors and any other persons employed by him may not enter the exhibition site until one hour before the start of the event and must leave it one hour after closing time at the latest. It is not permitted to overnight at the exhibition centre.

17.4 It is prohibited to bring animals into the exhibition site.

17.5 Commercial photography, drawings, video, sound and any other types of recordings are prohibited on the exhibition site without written authorisation from the Organiser.

18. Landlord's lien

18.1 The Organiser is entitled to a landlord's lien on the goods displayed by the Exhibitor and other objects belonging to the Exhibitor on the exhibition site for his justified claims against the Exhibitor. The Organiser shall assert his landlord's lien by notifying the Exhibitor himself or his representatives present on the stand.

18.2 Goods displayed by the Exhibitor, or other objects belonging to the Exhibitor on the exhibition site, may not be removed unless the Organiser decides to waive his landlord's lien.

18.3 It is assumed, for the security of the Organiser, that all objects brought to the exhibition by the Exhibitor are his unrestricted property, or that he has unrestricted right of disposal over such objects.

18.4 After exercising such a landlord's lien, the Organiser shall not be liable for any damage or loss to the objects caused by factors outside his control.

18.5 After written notification has been issued, the pledged property can be disposed of by the Organiser on the open market.

19. Advertising, music, light shows, competitions, stand receptions

19.1 The Exhibitor is only entitled to engage in advertising activities, including distributing brochures and samples and speaking to visitors, on the stand space allocated to him. Posters, stickers or other printed advertising matter displayed without written consent shall be removed by the Organiser during the event and the costs billed to the Exhibitor. The Organiser does not need to provide proof of the party responsible for displaying such objects.

19.2 Written consent from the Organiser is required for the deployment of promotion teams outside the Exhibitor's stand. Exhibitors who deploy promotion teams without the written consent of the Organiser shall pay a penalty of EUR 5,200.00 to the Organiser for each case of contravention. This does not affect the Organiser's right to press further claims against the Exhibitor.

19.3 Music performances, light shows of any kind and the operation of PA equipment require the written consent of the Organiser and GEMA (German society for musical performing and mechanical reproduction rights). They must be registered in advance and are subject to a charge. Regardless of whether consent is granted by GEMA, the Organiser may restrict or forbid music performances or light shows, the presentation of machines, acoustic devices, projection equipment or fashions at any time in the interests of ensuring orderly running of the event.

19.4 Raffles, competitions, quizzes, prize games etc. require the written consent of the Organiser.

19.5 Receptions and other events held on the stand after the normal opening hours of the event as given in the Organiser's Special Exhibition Terms and Conditions for the event require the written consent of the Organiser, must be applied for in advance and are subject to a charge. The fees for stand receptions are listed in the Special Exhibition Terms and Conditions issued by the Organiser for the event.

20. Security

20.1 The Organiser provides general security for the event areas yet does not accept liability for loss or damage to objects.

20.2 The Exhibitor carries responsibility for guarding and supervising the stand space and the stand itself. This also applies during the build-up and break-down times and before and after the event.

20.3 The Organiser recommends hiring stand security staff exclusively from the security firm responsible for the event to provide security for the Exhibitor's stand space and the stand itself during the night-time. The intention to order special security staff should be agreed in writing with the Organiser before the start of the event.

21. Commercial legal insurance

21.1 The Exhibitor must protect his goods and services from violation of property rights, in particular from photography, video and sound recordings etc.

21.2 The Exhibitor should refrain from violating or infringing the commercial property rights of other exhibitors.

21.3 In cases in which an Exhibitor has been proven to violate property rights, the Organiser reserves the right to exclude said Exhibitor from the current and future events. In this case the Exhibitor must pay the full stand rent and any other event fees to the Organiser. This does not affect the Organiser's right to press further claims against the Exhibitor.

21.4 The Exhibitor is not entitled to press claims against the Organiser on account of the Exhibitor's commercial property rights being infringed by a third party.

22. Exclusion clause, Period of limitation

22.1 The Exhibitor should submit any claims against the Organiser in writing to the Organiser within three months of the conclusion of the event. If the Exhibitor does not press claims against the Organiser within the stipulated time, the Exhibitor is excluded from pressing these claims.

22.2 Any claims the Exhibitor wishes to press against the Organiser shall lapse within six months from the end of the month in which the final day of the event falls. Excluded are claims where the Organiser is liable due to wilful action on his part.

23. Final provisions

23.1 The law of the Federal Republic of Germany applies exclusively to the exhibition contract between the Organiser and the Exhibitor and to its handling, to these General Exhibition Terms and Conditions and to the Organiser's Special Exhibition Terms and Conditions for the event; the UN CISG is excluded.

23.2 The exclusive court of jurisdiction for all disputes arising from and in relation to the exhibition contract between the Organiser and the Exhibitor and its execution, these General Exhibition Terms and Conditions or the Special Exhibition Terms and Conditions of the Organiser is Düsseldorf in the Federal Republic of Germany.

23.3 Verbal sub-agreements to the exhibition contract made between the Organiser and the Exhibitor, to these General Exhibition Terms and Conditions or to the Special Exhibition Terms and Conditions of the Organiser shall not apply for the event. Any changes and supplements to the exhibition contract between the Organiser and the Exhibitor, to these General Exhibition Terms and Conditions or to the Special Exhibition Terms and Conditions of the Organiser for the event shall be invalid unless made in writing. This also applies for any change or supplement to this clause requiring the written form itself.

23.4 Should individual provisions of this exhibition contract between the Organiser and the Exhibitor, of these General Exhibition Terms and Conditions or the Special Exhibition Terms and Conditions of the Organiser for the event prove invalid, in full or in

part, or become so in the future, this shall not affect the validity of the remaining provisions. The parties undertake to replace the provision which is invalid, in full or in part, with a valid provision which most closely reflects its commercial intention and purpose.

23.5 Only the German versions of the exhibition contract between the Organiser and the Exhibitor, of these General Exhibition Terms and Conditions and of the Organiser's Special Exhibition Terms and Conditions for the event shall be authoritative.

The Sponsor is not entitled to press any further claims in this case. 4.3 The Exhibitor may not make any unauthorised structural changes to the stand. Any decorative elements which the Exhibitor wishes to mount must first be cleared by obtaining the express prior consent of the Organiser.

4.4 Any items included in the basic specifications of the stand which are not required by the Exhibitor cannot be refunded or exchanged.

4.5 Where possible from a technical and staffing viewpoint, any changes desired by the Exhibitor to the stand shall be accommodated by the Organiser, without such agreed changes becoming part of the Contract. Non-fulfilment shall not justify any claims on the Exhibitor's part against the Organiser. The Exhibitor shall pay the Organiser for any additional costs incurred as the result of making such desired changes.

5. Organiser's liability

5.1 The Organiser shall not accept any duty of care for exhibition goods and other items belonging to the Exhibitor, and excludes any liability for damage or loss.

5.2 The Organiser is liable for wilful actions or gross negligence on his part. In the event of a breach of duty due to ordinary negligence on the Organiser's part, or that of his subcontractor, liability shall be limited to typical contract and foreseeable damages. In the event of breach of minor contractual obligations due to

slight negligence, all liability is excluded towards exhibiting companies. The above liability limitations do not apply to bodily injury, damage to health or loss of life in cases where the Organiser carries responsibility.

6. Exhibitor liability

6.1 The Exhibitor carries full liability for all damage and losses caused to the stand, including that caused by third parties.

6.2 The Exhibitor's liability starts on taking possession of the stand, but by 18:00 at the latest on the day before the start of the event, and ends on return of the stand to the lessor.

6.3 Any damage to the stand will be invoiced to the Exhibitor. Damaged walls are billed at EUR 50.00 per unit. Other damaged or non-returned rented goods shall be billed at replacement cost.

6.4 The Organiser recommends that the exhibitor take out appropriate insurance for the stand.

7. Time limit / Period of limitation

7.1 Exhibitors should make any claims in writing against the Organiser within 24 hours of accepting the stand and noticing the defect. Any claims submitted after this time shall be excluded.

7.2 All claims made by the Exhibitor against the Organiser shall lapse within six months from the end of the month in which the final day of the event falls; excluded here are claims in which the Organiser is liable due to wilful action on his part.

8. Payment terms

8.1 Invoices for stand construction should be paid immediately, with no deductions, to the amount shown on the invoice.

8.2 The precondition for the Organiser's providing the services ordered by the Exhibitor is prompt and full payment of all invoice sums.

8.3 In the event of late payment, the Organiser is not obliged to provide the stand and/or any other services. This does not affect the Organiser's right to press damage claims against the Exhibitor.

9. Final provisions

9.1 The laws of the Federal Republic of Germany shall apply. The UN Convention on Contracts for the International Sale of Goods is excluded.

9.2 There are no verbal sub-agreements. Any changes and supplements to the Contract must be made in writing. This also applies for any change or supplement to the clause requiring the written form itself.

9.3 The court of jurisdiction for all disputes arising from and in relation to this Contract and its execution is Düsseldorf.

9.4 Should individual provisions of this Contract prove invalid, in full or in part, or become so in the future, this shall not affect the validity of the remaining provisions. The provisions which are invalid, in full or in part, shall be replaced with a valid provision which most closely reflects their commercial intention and purpose.

9.5 Only the German version of the Contract for Stand Construction between the Organiser and the Exhibitor and of these General Terms and Conditions of the Organiser for Contracts for Stand Construction for the event shall be authoritative.
